

# Nebraska Traumatic Brain Injury Grant Logic Model and Evaluation Plan 2018 - 2021

# Nebraska Traumatic Brain Injury Grant 2018 - 2021

**Objective 1:** Build capacity within the existing TBI support groups by providing leadership and capacity-building coaching to support group leaders and members in at least 10 of the 13 support groups during Years 1-3 of the project.

Strategies/Activities	Outputs	Outcomes	Data Collection Tools and Methodology	When Data is Collected
<i>The list of strategies/activities such as training or programs implemented to achieve goals and outcomes.</i>	<i>Direct products of the strategies/activities such as number of trainings, number of participants, etc. and evidence of implementation.</i>	<i>Changes in participants' knowledge, behavior, skills, status, and level of functioning as a result of the program.</i>	<i>How outcomes and indicators measured – method of data collection</i>	<i>Specific time frame on when the data will be collected</i>
1.3. Identify and invite five (5) starting support groups to participate in the Network Capacity Building project with the contractor.	<ul style="list-style-type: none"> <li>Number and percent of support groups agreeing to participate in the project.</li> </ul>	<ul style="list-style-type: none"> <li>TBI support group leaders will report increased leadership skills.</li> </ul>	<ul style="list-style-type: none"> <li>Contractor documentation</li> <li>Support Group Leader/Member Survey</li> </ul>	<ul style="list-style-type: none"> <li>Annually - March</li> </ul>

**Objective 2:** Equip the Network of people with TBI and their families to advocate for policy, program and service changes by making data, resources, tools and strategies accessible to leaders and members of all 13 support groups across the state during Years 1-3 of the project.

Strategies/Activities	Outputs	Outcomes	Data Collection Tools and Methodology	When Data is Collected
2.2. Create and post templates, handouts and presentations for support group leaders and members, and BIAC members to access at the BIAC website to use in increasing TBI awareness and advocating for change. 2.3. With their permission, add support group leader and member contacts to Nebraska VR's TBI grant email listserv for news, project updates and event notices, and to the BIA's email listserv for advocacy events and legislative calls to action.	<ul style="list-style-type: none"> <li>Number of support group resources shared on BIAC website</li> <li>Number of support group leaders and members added to TBI grant e-mail list</li> <li>Number of Advocacy Activities engaged in by support group members</li> </ul>	<ul style="list-style-type: none"> <li>TBI support group leaders and members will have advocacy materials and resources</li> <li>People with TBI and their family members will increase advocacy activities at the local, regional and state level</li> </ul>	<ul style="list-style-type: none"> <li>Project documentation</li> <li>Support Group Member Survey that includes Advocacy Activity Scale</li> </ul>	<ul style="list-style-type: none"> <li>Annually - March</li> </ul>

**Objective 3:** Engage Network members from all 13 support groups in shaping policies, programs and services by providing education in advocacy strategies and offering opportunities to advocates during Years 1-3 of the project.

Strategies/Activities	Outputs	Outcomes	Data Collection Tools and Methodology	When Data is Collected
<p>3.2a Develop and conduct an annual survey of support group members on unmet and insufficiently met needs to inform the Annual TBI State Plan. 3.7 Administer survey ongoing on the BIAC website.</p> <p>3.2b Conduct a baseline survey using the Advocacy Activity Scale to measure members' involvement in advocacy activities.</p> <p>3.3. Convene the First Annual Network Summit to review unmet needs survey results and progress toward achieving the Voice Generated Statewide Vision (VGSW) and to inform the Annual TBI State Plan. Include advocacy education presentations from the Statewide Independent Living Council (SILC), Disability Rights Nebraska (DRN) and the BIA.</p>	<ul style="list-style-type: none"> <li>• Number of surveys completed by support group region.</li> <li>• Number of Advocacy Activity Scale (and leadership survey) completed and percent of members completing.</li> <li>• Number of support group leaders and members attending the annual Network Summit</li> </ul>	<ul style="list-style-type: none"> <li>• Unmet needs survey results will inform the TBI State Plan.</li> <li>• People with TBI and their family members will increase advocacy activities at the local, regional and state level</li> <li>• (ADD) Summit participants indicate learning advocacy strategies and opportunities from the summit</li> </ul>	<ul style="list-style-type: none"> <li>• Unmet needs survey</li> <li>• Project documentation</li> <li>• Support Group Member Survey that includes Advocacy Activity Scale</li> <li>• Summit evaluation</li> </ul>	<ul style="list-style-type: none"> <li>• Annually – March</li> <li>• Annually – March</li> <li>• Post summit</li> </ul>

**Objective 4:** Connect newly-injured individuals with TBI and their family members to the Network and the existing system of services and supports in underserved, rural areas of the state by training a TBI Peer Resources Navigator from 6 of the 13 support groups during Years 2 and 3 of the project.

Strategies/Activities	Outputs	Outcomes	Data Collection Tools and Methodology	When Data is Collected
<p>4.2. Identify and recruit three (3) starting TBI Peer Mentors from the Network support groups to begin training in Year 2.</p> <p>4.3. Negotiate an agreement with the Department of Health and Human Services (DHHS), Division of Public Health for Brain Injury Act Section 30, TBI Registry follow-up contact mailings and the annual TBI Registry data report.</p> <p>4.5. Collect quarterly data on calls received in response to TBI Registry follow-up mailings from the Network support groups, BIA, ILCs and other organizations listed in the mailings. Create and send out a form to each organization for data collection.</p>	<ul style="list-style-type: none"> <li>• Number of Peer Mentors recruited and sustained</li> <li>• Number of connections made by Peer Mentors to individuals with TBI and their families.</li> <li>• Number of TBI Registry calls in response to the TBI Registry letters.</li> </ul>	<ul style="list-style-type: none"> <li>• Trained TBI Peer Mentors will connect individuals with TBI and their family members to the Network and to services and supports in their regions.</li> </ul>	<ul style="list-style-type: none"> <li>• Peer Mentor Resource Facilitation database information analyzed and disseminated.</li> <li>• Mayo-Portland Adaptability Inventory (MPAI-4) scores, pre- and post.</li> </ul>	<ul style="list-style-type: none"> <li>• Data collected quarterly</li> <li>• Analyzed and reported every 6 months</li> </ul>

**(Internal) Objective 5:** Increase national capacity to provide comprehensive and coordinated services to individuals with TBI by providing mentorship and technical assistance to Partner State Grantees in Years 1-3 of the project.

**(Internal) Objective 6:** Create a national culturally competent, person-centered professional development infrastructure for TBI service professionals by collaborating with other Mentor State Grantees and the TBI Coordination Center during Years 1-3 of the project.

Strategies/Activities	Outputs	Outcomes	Data Collection Tools and Methodology	When Data is Collected
<p>5.3. Provide monthly mentoring, technical assistance and progress checks according to agreed-upon objectives via webinars, online meetings and conference calls.</p> <p>5.4. Lead and host a quarterly community of practice or learning community on employment services and supports, and/or another chosen topic of interest among Mentor and Partner State Grantees and ACL.</p> <p>6.1. Collaborate with other Mentor State Grantees and the TBI Coordinating Center to review and develop professional training materials and curricula.</p>	<ul style="list-style-type: none"> <li>TBD</li> </ul>	<ul style="list-style-type: none"> <li>Designated Partner State Grantee(s) will increase skills and abilities in employment services for people with TBI.</li> </ul>	<ul style="list-style-type: none"> <li>TBD</li> </ul>	<ul style="list-style-type: none"> <li>TBD</li> </ul>
