

NORTH PLATTE BRAIN INJURY SUPPORT GROUP

MAY 14, 2018 2:00 P.M. CST

Get to know new members, review resources, and learn about the June Meeting activity.

June 11, 2018 2:00 p.m. CST

The Unmasking Brain Injury Project combines art, therapy, and advocacy, giving individuals with brain injury the opportunity to share their story through the creation of a mask. Masks created during the meeting will be part of a traveling exhibit displayed across the state.

The support group meetings are posted on the Brain Injury Advisory Council website calendar for your reference and assistance in promoting support group meetings:
