YES, WE CAN: Amazing Stories of Growth and Recovery

Because survivors of brain injury may look, talk or walk completely normally outsiders are frequently unaware of the challenges they face on a daily basis. Thanks to caregivers, resources and perseverance these challenges can be faced. Join us and hear two powerful, complicated and heartwarming survivor stories.

Featured Speakers:

Gina Simanek, MA, LMHP
Brain Injury Alliance - Nebraska,
Resource Facilitator

Meg Busing, RN, BSN
Midwest YouCan Foundation,
Executive Director

This is a free event and refreshments will be provided
